

ISCP/SKATZ

The ISCP (International Skateboard Certification Program) / SKATZ (Stance, Kicks, Axles, Transfers and Zen) provides a framework for assisting children and youth to learn the art of skateboarding.

- Developing and maintaining a high level of safe, practical experience & knowledge of skateboarding.
- Developing the skills required to become a confident and knowledgeable skateboard instructor.
- Training and mentoring students and instructors to develop their knowledge of skateboarding.
- Meeting a high standard of quality skateboard instruction that parents can feel great about.

Program Objectives

The ISCP/SKATZ Program provides a quality skateboarding progressive teaching system for children and youth age 6+.

- 5 step progression which includes leadership training:

S – Stance
K – Kicks
A – Axles
T – Transfers
Z – Zen

- Flexibility to tailor to student's individual progress.
- Recognizes key principles of child development.
- Emphasizes fun and learning.
- Includes a healthy lifestyle and nutritional education component.
- Progress is measured with incentives & report cards.

Program Assets

This international certification teaching system program is for you if you have built a skatepark and are looking for creative ways to increase revenues while servicing community need.

- Ready made progressive program model and teaching system for you to market and generate revenues from your skatepark.
- The four level training program will qualify your staff to lead the ISCP/SKATZ® Skateboarding Progressive Lesson System. A model for safe, affordable program delivery.
- Employment opportunities for instructors that have a passion for skatepark activities.
- Geared for youth, this training and leadership program is just what you need to deliver quality skateboard programming.
- Value in being part of programming model that is tested and in place in other municipalities.
- Demonstrate to Council and the Community your commitment to youth, your customers and skateboarding
